### Notes, Story/Idea Writing

OCTOBER 2011 - PRESENT

A personal habit of mine is to write down short stories or ideas. Some ideas have numerous chapters while some are one-shot stories. Most of them are a work of events that happened in my daily life or based on my thoughts at a certain moment.

### MapleStory Series, Animation and Illustration

APRIL 2011 - AUGUST 2012

An interest-motivated project which I used a website to create backgrounds, characters, speech bubbles or text to create a short animation by compiling the images. The project also has a mix of creating illustrations for personal purposes.
